

CHICAGO

Strategic Guidance. Stronger Nonprofits.

Use your business skills to support and strengthen one of Chicago's most dynamic and deserving nonprofits.

Compass recruits, trains and supports teams of business professionals who provide pro bono consulting services to local nonprofits. Volunteers are recruited from our partner MBA alumni clubs, as well as top-tier corporations, consulting and law firms. We seek professionals with expertise in consulting, strategy, finance, marketing and organizational management to participate 2-3 hours a week from late October through May on a strategy project to support a local nonprofit.
