

CHICAGO

CONNECT YOUR SKILLS TO YOUR SOUL

Turn your passion into action by using your business skills to impact your Chicago community when it needs you most.

Compass consulting teams will work with our 2020-21 Chicago nonprofit clients to address some of the most pressing challenges facing our community, including education, homelessness and housing eviction, gang participation, and racial inequity. Once a year, Compass selects, trains and matches professionals from leading companies, consulting firms, law firms, and MBA alumni organizations with local nonprofits to participate on a strategic consulting project 2-5 hours a week from November through May.
