

Will Elder

Will is a Senior Consultant in West Monroe's Healthcare & Life Sciences practice with over six years of healthcare consulting experience, including the design and deployment of urgent care platforms, integration of artificial intelligence, and health system strategic planning. Will is also the CSR Lead for West Monroe's Minneapolis office, coordinating hands-on and skills-based volunteering activities for over 120 employees across 10 local nonprofit organizations. With Compass Pro Bono, Will has helped to increase the awareness of Compass programming in the Twin Cities and recently served as a volunteer project leader for a Compass consulting engagement.

Will holds a bachelor's degree in management information systems (MIS) from the University of Minnesota – Carlson School of Management. Will also holds certificates in Project Management (CPPM) and Lean Six Sigma (Yellow Belt).
