Join the Celebration Sponsor 25 (More) Years of Excellence

For 25 years, **Compass Pro Bono** has connected local nonprofits with business professionals to strengthen the fabric of our community. Celebrate the impact you have shaped over these 25 years with an Anniversary Sponsorship to honor the **thousands of volunteers and nonprofit partners** who make Greater Washington stronger each year.

Your sponsorship will also ensure that Compass Pro Bono will continue to empower nonprofits with the strategic guidance they need to thrive in the next 25 years. Join us in this celebration of the impact and the possibilities we've created, together.
